**DECLARATION UNDER PENALTY OF PERJURY ON BEHALF OF A
CORPORATION**

I, the Chief Financial Officer of TOWER AUTOMOTIVE, INC. named as debtor in this case, declare under penalty of perjury that I have read the foregoing summary and schedules, consisting of 47 sheets, and that they are true and correct to the best of my knowledge, information and belief.

Date: April 4, 2005

Signature 

Print Name James Mallak

Schedules of Assets and Liabilities

General Notes

1. The Schedules of Assets and Liabilities have been prepared by the Debtor's management and are unaudited. While management of the Debtor has made every effort to ensure that the Schedules are accurate and complete based on information that was available at the time of preparation, the subsequent receipt of information may result in material changes in financial data contained in the Schedules and inadvertent errors or omissions may exist. To the extent the Debtor discovers additional information that may suggest a material difference, the Debtor will amend the Schedules to reflect such changes. Accordingly, the Debtor reserves all rights to amend its Schedules as may be necessary or appropriate.
2. It would be prohibitively expensive and unduly burdensome to obtain current market valuations of the Debtor's property interests. Accordingly, unless otherwise indicated, the Schedules and the Summary of Schedules reflect the net book values, rather than current market values, of the Debtor's assets.
3. Given the differences between the information requested in the Schedules and the financial information utilized under generally accepted accounting principles, the aggregate assets and liabilities set forth in the Schedules do not reflect the amounts that would be set forth in a balance sheet of the Debtor prepared in accordance with generally accepted accounting principles. Accordingly, combining the assets and liabilities set forth in the Schedules of the Debtor and its debtor affiliates in these jointly administered cases would result in figures that would be substantially different from the publicly reported financial information regarding the Debtor and its affiliates that have been prepared on a consolidated basis under generally accepted accounting principles.
4. Any failure to designate a claim on the Debtor's Schedules as "disputed," "contingent" or "unliquidated" does not constitute an admission by the Debtor that such amount is not "disputed," "contingent" or "unliquidated." The Debtor reserves the right to dispute, or to assert offsets or defenses to, any claim reflect on its Schedules as to amount, liability or classification or to otherwise subsequently designate any claim as "disputed," "contingent" or "unliquidated." Listing a claim does not constitute an admission of liability by the Debtor.
5. Listing a claim (i) in Schedule D as "secured," (ii) in Schedule E as "priority" or (iii) in Schedule F as "unsecured nonpriority," or listing a contract in Schedule G as "executory" or "unexpired," does not constitute an admission by the Debtor of the legal rights of the claimant, or a waiver of the Debtor's right to recharacterize or reclassify such claim or contract.
6. The claims of individual creditors for, among other things, goods, products, services or taxes are listed as the amounts entered on the Debtor's books and records and

do not reflect creditors or allowances due from such creditors to the Debtor. The Debtor reserves all of its rights respecting such credits and allowances.

7. With respect to a substantial number of claim amounts listed on Schedule F - Creditors Holding Unsecured Nonpriority Claims, such amounts may not accurately reflect necessary post-Petition Date reductions in claim amounts due to certain claimants' participation in the Debtor's Steel Debit Programs (as defined and approved in the Order Authorizing the Debtors to Honor Certain Prepetition Obligations to Customers and to Otherwise Continue in the Ordinary Course of Business Customer Programs and Practices, entered by the Bankruptcy Court on February 3, 2005). Reductions in these claim amounts pursuant to the Steel Debit Programs will impact information set forth in the Debtor's Statements of Financial Affairs including, but not limited to, the Debtor's Accounts Payable and Accounts Receivable as of the Petition Date.

8. Unless otherwise indicated, all amounts are listed as of the time of the filing of the Debtor's voluntary petition, which was prior to the commencement of business on Wednesday, February 2, 2005 (the "Petition Date").

9. Prior to the Petition Date, RJ Tower Corporation and its subsidiaries and affiliates, including the Debtors, participated in a centralized cash management system through which payments to third-party creditors generally were made by RJ Tower Corporation ("RJ Tower") on behalf of the other Debtors. The payments to third parties resulted in intercompany payables from the relevant entity to RJ Tower. As a result of inter-Debtor transactions, RJ Tower also received certain disbursements and had obligations to certain of the Debtors which resulted in intercompany receivables and payables between RJ Tower and the relevant entity. Additionally, prior to the Petition Date, the Debtors routinely engaged in other intercompany transactions. Since the Petition Date, the Debtor has been conducting a review of prepetition intercompany accounts. As of the date hereof, however, the Debtor's review has not been finalized. Accordingly, intercompany account balances are undetermined and are listed in the Schedules and Statements as contingent and unliquidated.

SCHEDULE G

EXECUTORY CONTRACTS AND UNEXPIRED LEASES

GENERAL NOTES

1. Listing a contract or lease on Schedule G does not constitute an admission by the Debtor that the contract is an executory contract or a lease, or a waiver of the Debtor's right to recharacterize the contract as non-executory or as something other than a true lease.
2. The Debtor has not listed various types of contracts. For example, the Debtor has not listed (i) purchase and sale orders because of their large number and transitory nature, (ii) confidentiality and secrecy agreements in order to honor the terms of such contracts, and (iii) contracts that are not usually deemed to be executory such as customs and import bonds and agreements involving financial accommodation.
3. Portions of some of the contracts that are listed on Schedule G have been fully performed, while other portions of the same contracts remain executory, such as asset sale contracts that have mutual indemnity obligations.
4. Based on the size and nature of the Debtor's business, the Debtor anticipates that it will subsequently discover various contracts that were inadvertently omitted from Schedule G. To the extent the Debtor discovers any material contracts that should have been listed on this Schedule, the Debtor will amend Schedule G to include such contracts.
